

# Thermon Product Lifecycle Announcement:

## EOL and EOS for TC1818 and Availability of TCM18

Thermon announces the end-of-life (EOL) and end-of-sale (EOS) for the TC1818 and the availability of TCM18. The TCM18 is available for order from Thermon.

### Thermon discontinued the TC1818 and will no longer support these products:

- **TC1818A.18.1.F** THERMON TC 1818 MODULE DEG F (Thermon Part #181818)
- **TC1818A.18.1.C** THERMON TC 1818 MODULE DEG C (Thermon Part #181819)
- **TC1818A.18.1.C.CE** THERMON TC 1818 MODULE, DEG C, CE VERSION (Thermon Part #181820)

The replacement product(s) are the TraceNet TCM18, designed specifically to be backwards compatible with TC1818 control panels. The direct replacements are:

- **TCM18-A** Heat Trace Control Module - North American Version, (Thermon Part #810232)
- **TCM18-U** Heat Trace Control Module - Universal Version (Thermon Part #810231)
- **TCMN18-** Heat Trace Control Module – Nuclear version for North America (Thermon Part #810202)

**TC1818 / TCM18 Replacement Product P/N Reference Table**

OLD P/N Part #	TC1818 Description	REPLACEMENT P/N Part #	TCM18 Description
181818	<b>TC 1818A.18.1.F</b> TC-1818 Control Module, Deg F	810232	<b>TCM18-A ASSEMBLY</b> , TCM18 Control Module - North American Version
181819	<b>TC 1818A 18.1.C</b> TC-1818 Control Module, Deg C	810231	<b>TCM18-U ASSEMBLY</b> , TCM18 Control Module - Universal Version
181820	<b>TC 1818A 18.1.C.CE</b> , TC-1818 Control Module, Deg C, (CE Version)	810231	<b>TCM18-U ASSEMBLY</b> , TCM18 Control Module - Universal Version
81016	<b>TC1818.6SSR30C</b> , TC-1818 SSR Module, Single Pole, 120-240 Vac	80063	<b>TraceNet PM6-HD6050</b> Relay Assembly with Heat Sink, Current & Ground Leakage CTs and Six (6) SSR, 30A at 600 Vac
81026	<b>TC1818A.6SSR15C</b> , TC-1818 SSR Module, Double Pole, 208-240 Vac	80069	<b>TraceNet PM6DP-D2440D</b> Relay Assembly with Heat Sink, Current & Ground Leakage CTs and Six (6) SSR, 15A at 240 Vac
81027	<b>TC1818A.6SSR30C</b> , TC-1818 SSR Module, Single Pole, 600 Vac	80063	<b>TraceNet PM6-HD6050</b> Relay Assembly with Heat Sink, Current & Ground Leakage CTs and Six (6) SSR, 30A at 600 Vac
