

End-of-Life Notification: TC1818 Control & Monitoring Systems

September 16, 2019

Thermon discontinued the TC1818 and will no longer support these products:

- **TC1818A.18.1.F** THERMON TC 1818 MODULE DEG F (Thermon Part #181818)
- **TC1818A.18.1.C** THERMON TC 1818 MODULE DEG C (Thermon Part #181819)
- **TC1818A.18.1.C.CE** THERMON TC 1818 MODULE, DEG C, CE VERSION (Thermon Part #181820)

The replacement product(s) are the TraceNet TCM18, designed specifically to be backwards compatible with TC1818 control panels. The direct replacements are:

- **TCM18-A** Heat Trace Control Module - North American Version, (Thermon Part #810232)
- **TCM18-U** Heat Trace Control Module - Universal Version (Thermon Part #810231)
- **TCMN18-** Heat Trace Control Module – Nuclear version for North America (Thermon Part #810202)

TC1818 / TCM18 Replacement Product P/N Reference Table

OLD P/N Part #	TC1818 Description	REPLACEMENT P/N Part #	TCM18 Description
181818	TC 1818A.18.1.F TC-1818 Control Module, Deg F	810232	TCM18-A ASSEMBLY , TCM18 Control Module - North American Version
181819	TC 1818A 18.1.C TC-1818 Control Module, Deg C	810231	TCM18-U ASSEMBLY , TCM18 Control Module - Universal Version
181820	TC 1818A 18.1.C.CE , TC-1818 Control Module, Deg C, (CE Version)	810231	TCM18-U ASSEMBLY , TCM18 Control Module - Universal Version
81016	TC1818.6SSR30C , TC-1818 SSR Module, Single Pole, 120-240 Vac	80063	TraceNet PM6-HD6050 Relay Assembly with Heat Sink, Current & Ground Leakage CTs and Six (6) SSR, 30A at 600 Vac
81026	TC1818A.6SSR15C , TC-1818 SSR Module, Double Pole, 208-240 Vac	80069	TraceNet PM6DP-D2440D Relay Assembly with Heat Sink, Current & Ground Leakage CTs and Six (6) SSR, 15A at 240 Vac
81027	TC1818A.6SSR30C , TC-1818 SSR Module, Single Pole, 600 Vac	80063	TraceNet PM6-HD6050 Relay Assembly with Heat Sink, Current & Ground Leakage CTs and Six (6) SSR, 30A at 600 Vac
