

# Thermon Product Lifecycle Announcement

## END-OF-LIFE FOR TRACENET COMMAND

Thermon announces the end-of-life (EOL) for TRACENET COMMAND and provides a notification concerning the availability of the replacement GENESIS NETWORK. Genesis Network is a full featured Trace Heating Supervisory system that integrates Trace Heating controls from Thermon and other third parties site wide.

Key milestone dates are indicated below in Table 1. Refer to Table 2 for a cross-reference between obsolete and replacement item numbers.

**Table 1: Milestone Definitions and Dates**

Milestone	Definition	Date
End-of-Life (EOL) Announcement	The date that the obsolete product's end-of-life is publicly announced.	October 12, 2022
End-of-Sale (EOS):	The last date to place an order for the obsolete product with Thermon. The product is no longer available for sale from Thermon after this date.	Immediate
End-of-Maintenance (EOM):	The last date to request maintenance or service on the obsolete product.	October 12, 2023

**Table 2: Item Number Cross-Reference**

Obsolete Thermon Product	Replacement Thermon Product	Replacement Product Description
TraceNet Command	Genesis Network	Trace Heating supervisory platform

## Product Transition Information

Please contact your local Thermon Sales representative for more information and/or demonstrations on Genesis Network as a replacement to TraceNet Command.
